

[1900-

Pyrenone Mill Fog is a finished insecticide in ready to use form for the control of certain exposed insect pests of stored grain, stored food products. It has been especially formulated for use in Dyna-Fog, Swing Fog, Aero-Master and other thermal foggers. It is also ideally suited for use as a surface spray in pressure and hand sprayers.

DILL

CAUTION

KEEP OUT OF REACH OF CHILDREN

USDA REG. NO. 14305

The insecticidal components of this piperonyl butoxide and pyrethrins spray are covered by regulations issued under the Food Additives Amendment, as recorded in the Federal Register under Title 21, Food and Drugs, Chapter 1, Subchapter B, Part 121, Paragraphs 121.1074 and 121.1075.

READY TO USE

This heavy duty insecticide is ready to use and is recommended where fast results and maximum effectiveness are desired with use of a minimum amount of base oil.

FOGGING INSTRUCTIONS

FLYING INSECTS

Flies, fruit flies, gnats, flying moths and other flying insects are killed almost immediately on contact. Use at the rate of 1 oz. per 2000 cu. ft. of space. Cover foodstuffs to prevent contamination from falling insects. For best results close area to be treated and keep closed for ten minutes.

CRAWLING INSECTS:

The active ingredients in this formula are also present in sufficient concentration to kill on contact the exposed (or accessible) stages of the granary weevil, rice weevil, confused flour beetle, rust red flour beetle, cadelle, saw toothed grain beetle, spider beetle, angoumois grain moth, Mediterranean flour moth, meal worm, cigarette beetle, drug store beetle, cheese skipper, cheese mite and grain mite.

For best results spray thoroughly with a hand or pressure type sprayer into cracks and crevices and other places where insects may be harbored in order to contact as many as possible.

Follow at once with a fogging of area. Use at the rate of 1 oz. per 1000 cu. ft. of space. Leave area closed up for two or more hours afterwards for best results.

FORMULA B 30-300

HEAVY DUTY

PYRENONE MILL FOG

CAUTION

Harmful if swallowed. Keep out of reach of children. Avoid contamination of Feed and Foodstuffs. Use as a space or fog spray in food handling and food processing areas only when plant is not in operation and exposed foods are removed or covered. Food handling surfaces should be cleaned before reuse.

Do not fog in presence of open fire or flame. Combustible liquid, do not use, spill, pour or store near heat or open flame.

Lot No.
