J.J. Dill Company
P.O. Box 788
Kalamazoo, MI 49005

Gentlemen:

Subject: C-5 Econo Fly Spray
EPA Registration No. 6900-38
Your Submission Dated March 25, 1985

The amendment referred to above, to update general labeling including precautionary statements, statement of practical treatment, and storage and disposal statements, is acceptable.

However, in the Environmental Hazards statement delete the sentence "Keep out of lakes..." and add "Do not add directly to water."

A stamped copy of the label is enclosed for your use.

Sincerely yours,

Timothy A. Gardner
Product Manager (17)
Insecticide-Rodenticide Branch
Registration Division (TS-767)

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid contamination of feed and foodstuffs. The use of this product in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered before treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Clean out any waste grain, dust, dirt or debris and destroy before spraying. Remove pets, birds and fish aquariums before spraying.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use in presence of open fire or flame. Combustible liquid, do not use, spill, pour or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in manner inconsistent with it's labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

STORAGE: If container is damaged: Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required as to prevent contact with the product or its vapors. Cover the spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. Place any leaking container into a similar drum or glass container. Do not store, use, pour or spill near heat or open flame.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

STATEMENT OF FIRST AID

IF SWALLOWED: Call a physician or poison control center. Do not induce vomiting unless directed to do so. If vomiting occurs, aspirate if available. Call a physician immediately if symptoms of aspiration pneumonia.

IF INHALED: Remove affected person to fresh air. Respiration if indicated.

IF IN EYES: Flush eyes with plenty of water. If irritation persists, call a physician.

IF ON SKIN: Remove contaminated clothing. Wash with plenty of soap and water.
