DILL

USDA Reg. No. 6900-43

CAUTION

Harmful if swallowed. Avoid prolonged or repeated skin contact or repeated inhalation of spray mist. Wash thoroughly after using. Keep out of the reach of children. Note to physician: Malathion is a cholinesterase inhibitor. Atropine is an antidote. Treat symptomatically.

CAUTION

Keep container closed when not in use. Avoid contamination of cooking utensils, food, feed, and water supplies. Remove fish and birds from room during spraying.
