KORK RUB

DISINFECTANT CLEANER

Designed for use in homes, hotels, motels, schools and hospitals where housekeeping will be of prime importance in reducing the hazard of cross infection on environmental surfaces.

Use Kork Rub on Walls, Floors, Sinks, Garbage pails, Telephones, Restrooms.

Use Kork Rub to clean and disinfect most hard surfaces.

Ideal for use in the Auto, Boat and Work Shop.

When used as directed Kork Rub cleans, disinfects, and prevents bacterial odors. Is Fungicidal against pathogenic fungi.

**JUST SPRAY SURFACE THOROUGHLY - WIPE OFF.
USE KORKAY SPRAY ONLY.**

EPA REG. No. 6943-1

CONTENTS _____
U.S. GALS.

Directions:

Using a Korkay Sprayer, spray Kork Rub Full Strength on soiled surface - be sure the surface is thoroughly wetted. Allow solution to remain on surface ample time to loosen soil and to disinfect. Rinse dissolved soil away with water or wet sponge.

WARNING

Keep Out of Reach of Children. Causes severe eye irritation. Causes skin irritation. Do not get in eyes, on skin or on clothing.
Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed: drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

Rinse empty container thoroughly with water and discard.
