Kokomo, IN 46904-2543

Subject: **Kork Rub Cleaner - Disinfectant**  
EPA Registration Number 6943-1  
Letter Dated February 1, 2012  
EPA Received Date February 8, 2012

Dear Mr. Tate:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with comments..

**Proposed Amendment:**

- Label amendment

**Label Comment:**

1. Under the "STORAGE AND DISPOSAL" add statement to read;

**PESTICIDE DISPOSAL:**

Wastes resulting from the use of this product must be disposed of on site or at an approval waste disposal facility.

2. Under the "General Disinfection" spell the word "wet" out.

**General Comments:**

A stamped copy of the acceptable labeling is enclosed. Submit one (1) copy of your final printed labeling before distributing or selling the product bearing the revised labeling..

Enclosure: stamped label

**KORK RUB CLEANER - DISINFECTANT** has been formulated for use in homes, hotels, offices, schools & hospitals where housekeeping is of prime importance in reducing the hazard of cross contamination on environmental surfaces.

*Use Kork Rub to clean, disinfect, and deodorize; walls, sink and counter tops, food preparation areas, telephones, restrooms and garbage pails. When used as directed, Kork Rub cleans, disinfects and prevents bacterial odors and kills pathogenic fungi.*

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### FIRST AID

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor for treatment advice. Sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move to fresh air. If the person is not breathing, call 911 or an ambulance, then give artificial respiration. Call a poison control center or doctor for treatment advice.

Suggestions for the use of this product are based on tests believed to be reliable; however, users should test in an inconspicuous area to determine compatibility.
