KORK RUB CLEANER - DISINFECTANT has been formulated for use in homes, hotels, offices, schools & hospitals where housekeeping is of prime importance in reducing the hazard of cross contamination on environmental surfaces.
 Use *Kork Rub* to clean, disinfect, and deodorize; walls, sink and counter tops, food preparation areas, telephones, restrooms and garbage pails. When used as directed, *Kork Rub* cleans, disinfects and prevents bacterial odors and kills pathogenic fungi.
CAUTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move to fresh air. If the person is not breathing, call 911 or an ambulance, then give artificial respiration. Call a poison control center or doctor for treatment advice.

Suggestions for the use of this product are based on tests believed to be reliable. However, users should test in an inconspicuous area to determine compatibility.
