OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

Mr. Troy L Tate
President
Tate Soaps & Surfactants, Inc.
P.O. Box 2543
Kokomo, IN 46901

MAR 3 - 2015

Subject: Kork Rub Cleaner Disinfectant
EPA Registration Number 6943-1
Application Dated December 5, 2014
EPA Received December 10, 2014

Dear Mr. Tate:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable.

Proposed Amendment:

- Change the heading of the "First Aid" section to "Hazard/ Precautionary Statements"
- Extra text to comply with GHS regulations which include the original First Aid Section text

General Comments:

Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and it's implementing regulation at 40 CFR 152.3.

Should you have any questions or comments concerning this letter, please contact Drusilla Copeland at (703) 308-6224.

Sincerely,

Velma Noble
Product Manager (31)
Regulatory Management Branch I
Antimicrobials Division (7510P)

KORK RUB CLEANER - DISINFECTANT has been formulated for use in homes, hotels, offices, schools & hospitals where housekeeping is of prime importance in reducing the hazard of cross contamination on environmental surfaces.

Use Kork Rub to clean, disinfect, and deodorize walls, sink and counter tops, food preparation areas, telephones, restrooms, and garbage pails. When used as directed, Kork Rub cleans, disinfects and prevents bacterial odors and kills pathogenic fungi.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Hazard / Precautionary Statements

Warning:
Harmful if swallowed
Causes skin and eye irritation

Prevention:
Wash hands thoroughly after handling.
Wear protective gloves.

Response:
If swallowed: Call a poison center if you feel unwell
Rinse mouth. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

In eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Seek medical attention.

On skin: Wash with plenty of water. If skin irritation occurs: Seek medical attention. Take off contaminated clothing and wash it before reuse.

Disposal:
Dispose of contents in accordance with local regulations.

Suggestions for the use of this product are based on tests believed to be reliable; however, users should test in an inconspicuous area to determine compatibility.

Hot Line Number: 1-866-292-6073
Have the product container with you when calling the poison control center or doctor for treatment advice.
