

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

CAUTION

Keep out of reach of children. May be harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes or clothing should be avoided. Do not use as a space spray.

Wash thoroughly after using.

Remove pets, birds, and cover fish aquariums before spraying.

**STATEMENT OF PRACTICAL
TREATMENT**

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF INHALED: Remove victim to fresh air. Apply respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting because of aspiration hazard.

STORAGE AND DISPOSAL

Do not store near heat or open flame. Replace protective cap when not in use.

Do not reuse empty container. Wrap and place in trash collection.

INGREDIENTS

Active Ingredient(s):	
Pyrethrins I & II.....	.700%
Technical Piperonyl Butoxide*.....	1.000%
Rotenoids and other Cube Resins.....	.067%
Rotenone.....	.033%
o-Isopropoxyphenyl methylcarbamate**.....	1.000%
Inert Ingredient(s)***	97.200%

*Equivalent to .8% (butylcarbitol)(6-Propylpiperonyl) Ether and .2% of related compounds.
** Baygon is Reg. TM in U.S. Pat. Off. by Farbentabriken Bayer A.G., Chemagro Corporation licensee.
***Contains Petroleum Distillates

**For ROACHES: German, American,
Oriental, Brown Banded**

**KEEP OUT OF REACH OF
CHILDREN**

NET WEIGHT 1 lb. 11 ozs.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Cessco's AccuDose specific dosage residual spray is for treatment into cracks, holes, crevices and similar small openings where these insects may be hiding, living, and breeding.

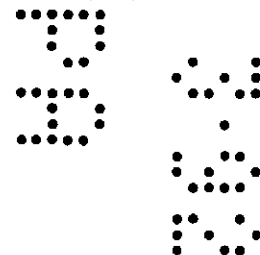

With the rigid applicator extension placed into cracks, holes, crevices, and similar small openings where these insects may be a problem, release approximately 1 second of spray per spot in serious infestation areas. If possible, space these applications 12" apart. In lightly infested areas, or for preventive treatment, space applications approximately three feet apart.

For use in homes, hospitals, food processing plants, restaurants, super markets, hotels, and motels. Care must be taken so no material comes in contact with exposed food products, equipment, or packaging materials. They must be removed or covered before use. Do not use in commercial food preparation areas or in edible product areas of food processing plants.

**PHYSICAL OR CHEMICAL
HAZARDS**

Contents under pressure. Do not expose to temperatures above 120° F. Do not throw in fire.

Do not use in food areas while food is exposed. Avoid contamination of food, utensils, and food preparation area.
