We recommend this package of ferti·lome Containing SEVIN® FOR CONTROL OF SOIL INSECTS because our years of experience have proven it to be most effective. We think you will find the following information complete and easy to follow.

#### 1. WHAT IS THIS PACKAGE FOR?

This package of ferti·lome Containing SEVIN® FOR CONTROL OF SOIL INSECTS is for the people who want a lawn that will give them an extra green, luscious lawn, and at the same time kill soil insects including CRUNCH GRASS, SOIL WEAVERS, ANTS, TICKS, FLEAS, MOSQUITOES, MILLIPEDES, LEA HOPPERS, CUTWORMS, ARMY WORMS and LAWN MOTHS.

#### 2. HOW DO YOU USE IT?

LAWNS: Follow directions in chart below.

ONE BAG COVERS  
6000 Sq. Ft.

**CONTENTS**

Dear Fellow:  
We recommend this package of Turf-Lime Conditioner Spray for Control of Soil Insects because our years of experience have proven it to be most effective. Its use will give you the best and most lasting information complete and easy to follow.

**1. WHAT IS THIS PACKAGE FOR?**

This package of Turf-Lime Conditioner Spray for Control of Soil Insects is for the people who need a lawn that will give them a lush green, healthy lawn. It is for the lawn that will resist insects, weeds, and diseases. It is for the lawn that will give you the best and most lasting information complete and easy to follow. **FOR ALL TURF, LAWNS, AND GROUNDS. USE FOR WEEDS, SOIL INSECTS, AND LIME DEFICIENCY.**

**2. HOW DO YOU USE IT?**

Use as follows:

<b>SPREADER</b>	<b>ONE BAG COVER</b>
Turf-Lime Conditioner	1000 sq. ft.
Turf-Lime Dressing	SPREADER SETTINGS*
Lawns	1/4"
Lawn Beauty	1/2"
Scenic	3/4"
Seeds	1"
Covered	1 1/2"

To find out how to use Turf-Lime Conditioner, see the instructions on the back of the bag.

\*These settings can be used only as a guide, they are not absolute. The speed at which the applicator works, the condition of the spreader and the texture of the turf will affect the rate of fertilizer application.

**NOTE: KEEP CHILDREN AND PETS OFF TREATED LAWNS UNTIL THE FERTILIZER-INSECTICIDE MIXTURE HAS BEEN WASHED OFF THE GRASS AND THE SOIL AND THE GRASS IS COMPLETELY DRY.**

We have found that you get best results by using Turf-Lime Conditioner and seedings and then watering in thoroughly.

We have found it a good idea to always water off any turf lawn that cannot be contacted with foliage or stems and avoid top dress.

**3. HERE ARE THE RESULTS YOU MAY EXPECT!**

Our research has proven that Turf-Lime Conditioner Spray for Control of Soil Insects, used according to directions, will give you a healthy, green lawn in your neighborhood and at the same time control soil insects so that you may enjoy your lawn and soil cover areas to the fullest extent.

Plant food and water are both necessary for proper turf management. However, quite often it has been found that lesser amounts of water are necessary to keep turf green and growing when the above feeding schedule is followed.

Sincerely  
The Vert-Lime People
