

ACCEPTED

JUL 25 1985

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 6993-61

PRECAUTIONARY STATEMENT HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Do not take internally. Avoid contact with skin, eyes, or clothing. Do not breathe spray mist. Can be irritating to eyes or skin. Skin Sensitizer. Wash thoroughly with soap and warm water after handling.

NOTE: Germain's Lawn and Garden Fungicide may produce temporary allergic side effects characterized by redness or rash on exposed skin areas. Persons having allergic reactions should contact a physician. Affected persons respond to treatment with antihistamines or steroid creams and/or systemic steroid. There is no evidence of aftereffects or permanent injury.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, aquatic invertebrates, and marine estuarine organisms. Runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from treated areas.

STORAGE AND DISPOSAL

Store in dry place. Do not store near feed or food stuff. Do not use, pour, spill or store near heat or open flames. Do not reuse empty container. Wrap container and put in trash collection.

Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide spray or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Keep children and pets away from treated area until it is completely dry.

Note to User: Do not graze treated areas. Do not feed clippings to livestock.

Note to User: This product may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash on exposed skin areas. Persons having allergic reaction should contact a physician.

Note to User: Wear long sleeve shirt, long pants, and gloves while mixing, loading and applying this product.

Shake Well Before Use

Read entire label and use as directed. Apply only to areas specified on the label. Germain's Lawn and Garden Fungicide is highly effective and widely recommended for the control of a number of important lawn and ornamental commonly occurring diseases. Do not combine this product with pesticides, surfactants or fertilizers unless your prior use has shown the combination physically compatible and noninjurious under your conditions of use.

GRASS LAWNS: For control of Brown Patch, Dollar Spot, Leaf Spot, Blight, Fading-out, Melting-out, Gray Leaf Spot, Stem Rust on Bluegrass, and Copper Spot. Mix 1 pint in 5-15 gallons of water and apply to 500 sq. ft. of lawn. Start spray application in spring before disease appears and repeat at 7-14 day intervals throughout the season. Make application on a 7 day schedule during periods of wet weather or severe disease conditions. Do not mow or water after treatment until lawn is thoroughly dry.

DICHONDRA LAWNS IN CALIFORNIA ONLY: To cure Alternaria Leaf Spot use 1 pint of material in 5 to 10 gallons per 500 sq. ft. Spray on 7-14 day intervals of application. Under severe disease conditions spray on a 7 day schedule and use higher rates. Use lower rates when disease conditions are light to moderate.
