**BEST** ROSE & FLOWER INSECT SPRAY

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS.

This product provides plants with two-way protection from insect attack. The spray kills insects on contact. In addition, the spray is absorbed by the leaves and moves in the sap stream to all parts of the plant **SYSTEMIC ACTION**. Working from inside the plant **SYSTEMIC ACTION** kills sucking insects that feed on plant juices.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**WARNING: MAY BE FATAL IF SWALLOWED, INHALED OR ABSORBED THROUGH THE SKIN.** Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Do not breathe spray mist. Do not take internally. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after using. Wash clothing with soap and hot water before re-use. Keep children and domestic animals off treated areas until surfaces have dried. Note for physician: Atropine and 2-PAM are antidotal. When container is empty, wash thoroughly and destroy. Never re-use. **Do not handle treated plants until spray deposit has dried.**

**WARNING: FLAMMABLE—KEEP AWAY FROM HEAT OR OPEN FLAME.**

This product is toxic to fish and wildlife. Keep out of lakes, ponds, and streams. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

U S D A Reg. No. 7001 89
