

Chlordane Insect Spray

Chlordane Insect Spray is a highly effective control for many lawn and soil insect pests. Used as directed it will kill the listed insects on contact and provide residual control that will prevent reinfestation. Used as directed for specific problems. May be applied with any type of garden sprayer.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

WARNING: Keep out of reach of children. May be fatal if swallowed. May be absorbed through the skin. In case of contact with skin wash with soap and water. Do not breathe spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans. Do not permit children or pets to go onto sprayed grass until spray has completely dried. Keep out of reach of domestic animals. Do not contaminate ornamental fishponds. Do not apply to plants or lawn that are not well irrigated.

WARNING: DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your cooperative Agricultural Extension Service.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Do not apply when weather conditions favor drift from areas treated. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. When container is empty, wash thoroughly and destroy. Never reuse.
