Gentlemen:

Subject: 1871 LAMB OXID ISELEH H. S. 10000-01
Site Symbol 1871-01
Your letter of October 20, 1970

The product referred to above will be acceptable for registration under the Federal Insecticide, Fungicide, and Rodenticide Act, provided finished labeling is submitted.

"USDA Reg. No. 6807-54" is being reserved for this product. This must appear on the finished label. The "Notice of Registration" will be issued when 5 copies of the acceptable finished printed labeling are submitted. Finished labeling is that which will be attached to or accompany the product. Refer to the attached 4-58 enclosure.

To expedite handling, please return the enclosed duplicate copy of this letter along with your finished labeling.

This letter does not constitute registration and the product may not be lawfully marketed in interstate commerce until it is registered.

Sincerely,

James E. Shea, Head *Shea*
