 Read caution on back before using
 U.S.D.A. Reg. No. 7052-5

**OPERATING
 INSTRUCTIONS**

Remove protective cap. Hold
 container upright and point
 nozzle away from you. Press
 valve and spray into air. Do
 not direct spray at foods or
 within one foot of food con-
 tact areas.

**BIG 'D' SPRAY FOR
 TEMPORARY ODORS**

One short spray of Big 'D'
 institutional deodorant dis-
 pels odors instantly. Use
 whenever fast, on-the-spot
 deodorizing is needed.

As a surface deodorizer Big
 'D' can be sprayed directly
 on clothing, drapes and rugs.
 Spray from a minimum dis-
 tance of two feet.

SPECIFIC USES

As an Air Sanitizer: Spray
 5 to 10 seconds into middle
 of room. Ideally, relative
 humidity should be main-
 tained above 20%.

CONTENTS: 1 lb. 2 oz. AVOIR.
