NONTOXIC TO HUMANS & PETS

Remove plastic cap. Hold can upright. Point spray opening away from you and press button. Apply sparingly in short bursts.

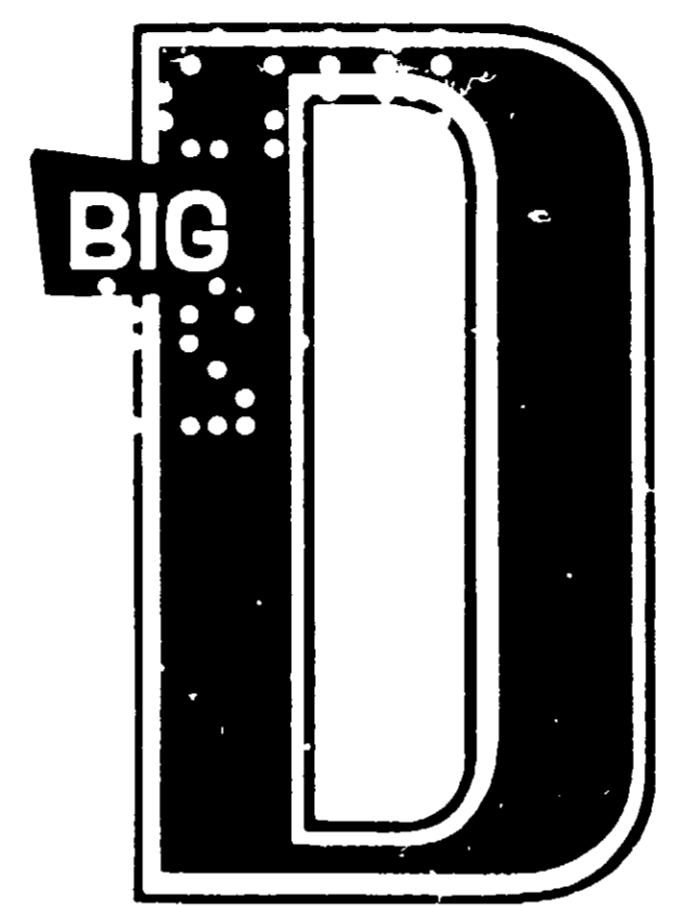

To kill flies, mosquitoes, gnats, wasps, flying moths. Close all doors and windows and direct spray upward into center of room with slow sweeping motions. Spray 5-10 seconds for average room. Keep room closed for 15 minutes after spraying.

To kill roaches, waterbugs, silverfish, crickets, ants. Spray baseboards, cracks, crevices, moist areas, openings around sinks and pipes. Hit insects directly if possible. Spray ant hills and trails over window and door sills.

To kill clothes moths, carpet beetles. Spray all articles needing protection, giving particular attention to folds and seams while holding spray opening at least 12 inches from fabric. Spray interiors of storage containers such as closets, chests and trunks every thirty days unless containers are airtight.

To kill bedbugs. Spray mattress thoroughly, especially around seams and joints. Spray bedstead, chair, baseboards and baseboards. Repeat the above.
