### INSTRUCTIONS FOR USE

Remove cap to cup. Point nozzle in direction of use. Press valve lightly to spray. Use Insect Repellent on exposed skin and clothing while outdoors. For new clothing, lightly misted surface is best on first exposure. To apply, place spray into palm of hand and rub over desired contact with eyes or lips.

**FOR CLOTHING.** Spray outdoors where insects are biting through, such as around the shoulders and neck area. For ticks and chiggers, also spray pants cuffs, socks and around openings in outer clothing. Will not damage nylon, cotton and wool. Should not be used on rayon and dyne.

**CAUTION:** Do not spray near eyes or mouth. May damage furniture, finishes, plastics and painted surfaces.

**WARNING:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130 F. may cause bursting. Never throw container into fire or incinerate.

<b>ACTIVE INGREDIENTS</b>	
N,N-dimethyl meta-	
toluamide	14.25%
Other isomers	.75%
<b>INERT INGREDIENTS</b>	85.00%
