

**BUGOUT™ INSECT REPELLENT** provides hours of protection from mosquitoes and biting flies. Also repels ticks, chiggers, and other small flying insects. This formula is not greasy and has a fresh, clean scent. You can spray at any angle... even upside down... to cover ankles, legs, even your back.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** For external use only. Do not spray directly on face. Do not get in eyes or mouth. Harmful if swallowed. Avoid breathing spray mist or using in enclosed areas. Avoid contact with lips. Do not apply over cuts, wounds, irritated or excessively sunburned skin. Do not expose treated skin or clothing to fire, sparks, or flame until liquid has evaporated.

**PHYSICAL OR CHEMICAL HAZARDS**

**EXTREMELY FLAMMABLE.** Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause container to burst.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Call a physician or poison control center. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. **DO NOT** induce vomiting or give anything by mouth to an unconscious person. **IF ON SKIN:** May cause skin reactions in rare cases. If so, wash with soap and water. Get medical attention if irritation persists. **IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. **READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.** Hold container four to six inches from skin or clothing and spray in a slow sweeping motion, keeping nozzle pointed away from face. Apply until skin or clothing is slightly moist. Frequent reapplication and saturation is unnecessary. For facial application, spray small amount in palm of hand and spread on face and neck. Do not apply to the hands of young children. Do not apply to skin under clothing. Wash treated skin with soap and water after returning indoors. Will not damage cotton, denim, wool, nylon, or Orlon. Do not apply to or near synthetic fabrics such as rayon, spandex or Dynel, leather, plastic watch crystals, and painted or varnished surfaces. Wash treated clothing after use. For clothing treatments to protect against mosquitoes, biting insects, chiggers, mites, and ticks, a thorough application should be made where bites occur. Use of this product may cause skin reaction in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

**STORAGE AND DISPOSAL**

**Storage:** Keep in locked storage area. Store in a cool dry place, away from heat, sparks, and open flame. Do not store at temperatures over 130°F. **Disposal:** Do not reuse empty container. Replace cap and discard in accordance with all local, state, and federal laws and regulations. Reduce pollution at its source.
