

ACCEPTED

APR 3 1979

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 7056-89

DIRECTIONS FOR USE

Shake well before using. Point spray nozzle away from face and in the direction of the space to be treated. Press down valve button and allow spray fog to fill the air where flying pests linger. For larger areas, best results are obtained by spraying in the direction of a slight breeze that allows the fog to drift into the areas of infestation. Spray while moving away from treated areas. Allow spray to dissipate before occupying the treated area. Repeat as necessary.

TO KILL FLYING INSECTS: Reduce annoyance from flies, mosquitoes, moths and gnats by directing spray from a distance of 4 to 8 feet from flowering plants, shrubbery, and grass to where the insects may be resting. Avoid heavy wetting of plant foliage. Also spray around garbage cans and other breeding areas. Repeat as necessary. Spray directly on wasps and hornets. Thoroughly wet the nesting area during the evening when these insects are least active.

TO KILL CRAWLING INSECTS: Spray directly on ants, centipedes, sowbugs, and spiders. Treat areas around garbage cans, picnic sites and camp grounds infested by these pests. Also thoroughly spray ant hills for best results. Spray in short bursts of 2 seconds at a 4 to 8 foot distance for control of **Brown Recluse Spider** and **Black Widow Spider**. Repeat application as necessary.

CSA OUTDOOR FOGGER

A Synthetic Pyrethroid
for control of
flying insects outdoors.

ACTIVE INGREDIENTS:

resmethrin	0.250
**[5-(phenylmethyl)-3-furyl] methyl 2,2-dimethyl-3-(2-methyl-1-propenyl) cyclopropanecarboxylate	0.034
Related compounds	99.716
INERT INGREDIENTS:	100.000*

*Cis,trans isomers ratio max 30% cis and min 70% trans

*U.S. Patent No. 3,465,007

SHAKE WELL BEFORE USING

CAUTION

KEEP OUT OF REACH OF CHILDREN

See Side Panels for Additional
Precautionary Statements

MANUFACTURED BY:
CSA LTD., INC.
Houston, Texas 77088

EPA Reg. No. 7056-89
EPA Est. No. 7056-TX-1

NET CONTENTS:
1 POUND

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMAN & DOMESTIC ANIMALS

CAUTION

NOT FOR INDOOR USE. Avoid contact with eyes, skin or clothing. Harmful if swallowed. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. Remove pets, birds and cover fish aquariums before spraying. Do not use on edible crops. Avoid smoking while spraying.

In case of contact, immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture. Do not use near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not store near heat or open flame. Do not reuse empty container. Wrap container and put in trash collection. Never throw container into fire or incinerator.

Spray outdoor areas of the yard, patio and camp ground when there is no breeze or spray in the direction of a slight breeze. Direct spray away from people and animals.

Controls flies, mosquitoes and gnats up to 21 feet away using this fog nozzle.
