PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

May cause eye injury. Do not get in eyes. Harmful if swallowed or inhaled. Avoid breathing mist. Avoid contamination of food. Wash hands with soap and water after using.

PRACTICAL TREATMENT

IF IN EYES: Flush with plenty of water. Get medical attention immediately.
IF ON SKIN: Wash off with soap and water.
IF INHALED: Remove the victim to fresh air. Get medical attention if victim displays signs of poisoning.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Shake well before using.

Remove cap and insert trigger sprayer.

DOGS AND CATS: TO KILL FLEAS, LICE, AND TICKS. Cover animals eyes with hand and with a firm, fast stroke, to get a proper spray mist, spray head, ears, and chest until damp. With finger tips rub into face around mouth, nose and eyes. Then spray neck, middle and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Repeat treatment as needed.

PUPPIES AND KITTENS: Spray the animal using the same method as for dogs and cats. Do not directly spray nursing puppies or kittens, rather spray only along the animals back or on your fingertips then rub the spray into the hair.

PET SLEEPING QUARTERS: Spray around baseboards, windows, door frames, wall cracks and local area of floors. If mosquitoes, gnats or flies are present, spray lightly into the air. Repeat as needed. Remove and discard old bedding. Spray new bedding for best results.

HORSES: To control stable flies, horse flies, deer flies and face flies, apply to face, legs, flanks, topline and other body areas commonly attached by these flies. Repeat treatment as needed.

PESTICIDE STORAGE: Protect from freezing.

CONTAINER DISPOSAL: Do not reuse empty container. Wrap container in newspaper and put into trash collection.

WARRANTY/LIMITATION OF DAMAGES

We warrant that this material conforms to the chemical description on the label. We make no other EXPRESS or IMPLIED Warranty, including any other express or implied warranty of fitness or merchantability, and no agent of the company is authorized to do so except in writing with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profits or values, etc.

Gentlemen:

SUBJECT: CSA Liquid Pet Spray
EPA Registration Number 7056-100
Your submission dated December 3, 1984

The amendment referred to above, submitted in connection with registration under FIFRA sec.3(c)(7)(B), is acceptable provided that you:

1. Make the following labeling changes before you release the product for shipment.

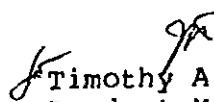

a. Under the heading HAZARDS TO HUMANS AND DOMESTIC ANIMALS, PRACTICAL TREATMENT, remove the words "Call a physician..... Drink.....person" These precautionary statements are not necessary for this product.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditons.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Timothy A. Gardner
Product Manager (17)
Insecticide-Rodenticide Branch
Registration Division (TS-767)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

May cause eye injury. Do not get in eyes.
Avoid breathing mist. Avoid contamination of water after using.

PRACTICAL TREATMENTS

IF SWALLOWED: Call a physician or Poison Control Center or give one or two glasses of water and rub the back of throat with finger. Repeat until vomiting or give any other person.

IF IN EYES: Flush with plenty of water.

IF ON SKIN: Wash off with soap and water.

IF INHALED: Remove the victim to fresh air and display signs of poisoning.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Shake well before using.

Remove cap and insert trigger sprayer.

DOGS AND CATS: TO KILL FLEAS, LICE, AND TICKS: With a firm, fast stroke, to get a proper coating, spray until damp. With finger tips rub into face, neck, middle and hind quarters, finish with a light spray to the skin, direct spray against the hair. On haired dogs rub your hand against the lay of the hair directly behind the hand. Make sure spray reaches all areas. Repeat treatment as needed.

PUPPIES AND KITTENS: Spray the animal until damp. Do not directly spray nursing puppies or kittens. Spray the animal's back or on your fingertips then rub into the animal's coat.

PET SLEEPING QUARTERS: Spray around base of cracks and local area of floors. If mosquitoes are present, spray lightly into the air. Repeat as needed. Spray new bedding for best results.

HORSES: To control stable flies, horse flies, and ticks, spray to face, legs, flanks, topline and other areas. Repeat treatment as needed.

PESTICIDE STORAGE: Protect from freezing.

CONTAINER DISPOSAL: Do not reuse empty container and put into trash collection.

WARRANTY/LIMITATION OF REMEDY

We warrant that this material conforms to the label. We make no other EXPRESS or IMPLIED Warranty of fitness or merchantability. Any damages arising from a breach of this warranty shall not include consequential damages or profits or v. act.

KILLS: Fleas, Lice, Ticks
Repels Temporarily Gnats, Flies, Mosquitoes

Contains Lanolin

BACK PANEL

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS WARNING

WARNING: May cause eye injury. Do not get in eyes. Harmful if swallowed or inhaled. Avoid breathing mist. Wash hands with soap and water after using. Avoid contamination of food. Avoid direct treatment of nursing kittens and puppies.

PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or poison control center. Give milk or water. DO NOT induce vomiting because of aspiration hazard.

IF IN EYES: Flush with plenty of water. Get medical attention.

IF ON SKIN: Wash off with soap and water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CATS AND DOGS: Remove cap and insert trigger sprayer. Cover animals eyes with hand and with a firm, fast stroke, to get a proper spray mist, spray head, ears, and chest until damp. With finger tips rub into face around mouth, nose and eyes. Then spray neck, middle and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Repeat treatment as needed.

PUPPIES AND KITTENS: Treat same as cats and dogs except nursing puppies and kittens, spray only along back or on your finger tips and rub in with your finger tips.

PET SLEEPING QUARTERS: Spray around baseboards, windows, door frames, wall cracks and local area of floors. If mosquitoes, gnats or flies are present, spray lightly into the air. Repeat as needed. The bedding should be sprayed and then replaced with fresh bedding for best results.

HORSES: To control stable flies, horse flies, deer flies and face flies apply to face, legs, flanks, topline and other body areas commonly attacked by these flies. Repeat treatment as needed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry place.

DISPOSAL: Do not use empty container. Wrap container in newspaper and put in trash collection.
