Dear Mr. Saksenberg:

Subject: Lindane RPAR  
CSA Lindane Screwworm Spray  
EPA Reg. No.: 7056-103  
Appl. Date: November 14, 1983

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. Directly above the heading "HAZARDS TO HUMANS AND DOMESTIC ANIMALS" add the heading "PRECAUTIONARY STATEMENTS".
2. Add the following to the "HAZARDS TO HUMANS..." section:  
Do not allow children to handle or apply this product."
3. The first paragraph of the "STORAGE AND DISPOSAL" section may be deleted since the following two statements are adequate for such a small container size.

Submit five (5) copies of your revised final printed labeling before you release the product for shipment with the amended labeling.

A stamped copy of the label is enclosed for your records.

If you hold a Federal registration, a supplemental registration, or a Special Local Needs registration, you may continue to produce new stocks of such products, using current labeling, until ~~July~~ 1, 1984. After that date, all remaining inventories of affected products will fall under the Existing Stocks provisions stated in our letter of October 28, 1983.

Sincerely yours,

George T. LaRocca
