NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

- This product is exempt under the Act in accordance with FIFRA sec. 3(c)(7)(C) provided that you:
1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(e)(5) when the Agency requires all registrants of similar products to submit such data.
 2. Add the phrase "EPA Registration No. 7056-113" to your label before you release the product for shipment.
 3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-74 Enclosure for a further description of final printed labeling.
- If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.
- A stamped copy of this label is enclosed for your records.

Mr. R. Gardner
 Mr. W. H. H. (17)
 Director, Insecticide Branch

Precautionary Statements

CAUTION

Hazards to Humans and Domestic Animals

Harmful if swallowed. Avoid contact with skin and eyes. Do not contaminate food or feedstuffs with this concentrate or dip.

Environmental Hazards

This product is toxic to fish and other aquatic animals. Do not contaminate any body of water with this concentrate or dip or by cleaning of equipment.

Physical Hazards

Do not store or use near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

To Kill Fleas, Lice and Ticks: Dilute 4 ounces of Concentrate with 1 gallon of water. Dip animal into solution, or pour over animal, making sure hair is thoroughly wet to skin. The area around the ears should be sponged thoroughly. Avoid contact of material with eyes and mouth of animal. Repeat as necessary for control.
