DIRECTIONS FOR USE

CSA
DOG & CAT
REPELLENT
aerosol spray

Under the Federal Insecticide,
Fungicide, and Rodenticide
Act as amended, for the pesticide
registered under EPA Reg. No. 7056-135

It is a violation of Federal law to use this product in a manner
inconsistent with its labeling.

GENERAL: For both indoor and outdoor situations, the most effective control
for a pet is the sharply spoken word backed up with disciplinary action.
This repellent product should be used in conjunction with training.

INDOORS: To break your pet of undesirable habits (such as sleeping on
furniture, rugs, and other forbidden areas in your home), spray the article
of furniture, rugs, etc., lightly with this product so that the area or
object is slightly moistened. Before spraying extensive areas of rugs,
fabrics or plastics, test the effect of this product by first treating a
small inconspicuous area. This product may stain or soften some fabrics or
plastics. An alternate method to avoid possible damage is to spray a piece
of cloth lightly and place it on the object or area in your home to be
protected. Repeat daily, or as necessary, until undesirable habit is
broken.

OUTDOORS: To prevent your pet or stray animals from soiling flower beds,
areas of lawn, trees, shrubbery or evergreens, lightly spray the edges of
flower beds, trunks of trees, base of shrubbery and evergreens, patches of
lawn, etc. Stray animals are frequently attracted to areas where urine or
feces have been deposited. First remove any droppings then spray the spot
with this masking odor. To keep stray animals from turning over and
upsetting garbage, spray garbage cans and bags liberally when setting out.
Reapply as often as necessary until undesirable habits of pets and stray
animals are changed.

A training aid for your own pet.
Will repel dogs and cats for 12
to 24 hours when applied daily.

ACTIVE INGREDIENTS:

Methyl nonyl ketone 1.9Z
Related Compounds 0.1Z

INERT INGREDIENTS: 98.0Z

Total 100.0Z

This product is not likely to break the established urination pattern of
dogs unless used as a training aid.

NOTE: Do not apply directly to foliage or ornamental, soft bodied plants.

KEEP OUT OF REACH OF CHILDREN

CAUTION

STORAGE AND DISPOSAL

See Back Panel for Additional Precautionary Statement

Storage: Store in a dry place away from heat and open flame, unaccessible
to children and pets.

Disposal: When empty, replace cap, securely wrap in news paper and discard
in trash. Do not incinerate or puncture.

Net Weight: 8 Oz.

Precautionary Statement

Manufactured by:

Hazards to Humans and Domestic Animals

CSA Limited, Inc.
Houston, Texas 77269-0347
