

4. You will submit five (5) copies of finished printed labels before you release the product for shipment, as required by FR Notice 82-2 of June 18, 1982. The finished printed labels are those under which you will market the product, and they must also comply with the general labeling requirements of 40 CFR 162.10. Refer to the A-79 enclosure for a description of finished printed labeling.

A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e).

**DIRECTION FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results, dust liberally over pet beginning at head, rub powder in skin. Apply between toes. Repeat treatment if necessary.

Apply liberally to pet bedding and surrounding furniture, carpeting, baseboards, etc.

**NON-FOOD AREAS:** To control crawling insects such as cockroaches, silverfish, spiders, ticks, lice, etc. in quarters, distribute at the rate of 1 ounce per square foot. Apply continuous visible film behind stairs, refrigerators and appliances, and behind moldings, shelving, baseboards, pipes, cracks and other areas where insects hide.

**ANIMALS:**

Do not treat puppies or kittens less than four weeks old. Do not apply directly to genitalia. Avoid exposure to this product. Cover or remove fish aquariums.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in original container in inaccessible to children and pets.  
**DISPOSAL:** Do not reuse container. Empty several layers of newspaper and discard in trash.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed. Avoid prolonged breathing contact with skin. Wash hands after using.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Contact a physician or Po immediately. Drink one or two glasses of water, vomiting by touching the back of throat with a finger until vomit fluid is clear. Do not induce vomiting by mouth to an unconscious person.  
**IF INHALED:** Remove affected person to fresh air. Respiration if indicated.  
**IF IN EYES:** Flush with plenty of water. Contact a physician if irritation persists.  
**IF ON SKIN:** Remove contaminated clothing and wash with soap and water. Contact a physician if irritation persists.
