US ENVIRONMENTAL PROTECTION AGENCY
OFFICE OF PESTICIDES PROGRAMS
REGISTRATION DIVISION (15-767)
WASHINGTON, DC 20460

EPA REGISTRATION NO.

DATE OF ISSUANCE

7056-162

JUL 18 1989

TERM OF ISSUANCE

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

[Faint illegible text]
 [Faint illegible text]

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 7056-162."
- b. Delete statements within the Precautionary Statement that repeat the Statement of Practical Treatment.
- c. Change "Pill Bugs" to "Pillbugs" (one word).

3. Please provide the flashpoint of the product with the propellant. The flashpoint reported exceeds the one expected for this product. Please check and resubmit. Mixtures marketed under pressure, including those containing hydrocarbons, are subject in their entirety to tests indicated in 40 CFR 156.10(b)(2)(iii). (Flashpoints for pressurized liquids are conveniently measured after collecting the expelled liquid from the container in an open cup chilled with dry ice - see Aerosol Guide, OSHA.)

[Handwritten signature]

DATE

7/18/89

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

in EPA Letter Dated:**

APR 18 1981

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

7056-167

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION:

May be harmful if swallowed, inhaled, or absorbed through inhalation of vapors and contact with skin, eyes, or contaminated skin promptly with soap and warm water. Get medical attention if irritation persists of food or feedstuffs.

Do not use in commercial food processing, preparation, areas. In the home, all food processing surfaces and covered during treatment or thoroughly washed before use.

Remove pets, birds, and cover fish-aquariums before spraying.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat, puncture or incinerate container. Exposure to temperature cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **SHAKE WELL BEFORE USE. KEEP CONTAINER CLOSED.**

This product will kill Cockroaches, Houseflies, Confused Floor Beetles, Grain Beetles, Rice Weevils, Small Flying Moths, Fleas, Ticks.

Cover exposed food, dishes, and food-handling equipment. Turn off fans and air conditioning. Turn off lights. Close doors and windows. Point valve opening away from building. Use one unit for each 6,000 cubic feet of unobstructed space. Do not use in areas where free flow of mist is required. Do not use in the area during treatment and ventilate thoroughly before re-occupancy.

TO OPERATE VALVE: To lock valve in open position for automatic operation, push valve button all the way down, hooking the catch. Then place fogger in the center of the room with valve locked open, placing on pad under fogger. Leave building at once and keep building closed before airing out. Open all doors and windows and allow to spray in two weeks or when necessary.

To Kill Ticks and Fleas: Destroy pet's old bedding and remove it. Treat dogs and cats with a registered tick and flea control product.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat and moisture.
Disposal: Replace cap and discard container in a safe manner. Do not incinerate or puncture.
