## DIRECTIONS

USE FOR WHITE AND FAST COLORS ONLY

**IN THE LAUNDRY:** Add  $\frac{1}{8}$  cup of *Lucky* bleach per each 2 gallons of water. Boiling is unnecessary. Mix well. Wash in usual way. As a bleach add  $\frac{1}{8}$  cup or 1 oz. per 2 gallons water or one cup *Lucky* bleach per each washing machine load (16 gallon machine). Rinse in several waters before drying. In automatics bleach should be added to suds water before clothing is placed in machine. If added while clothing is in suds, dilute with 1 quart of water before adding.

**STAIN REMOVER:** To remove scorch, ink, fruit, tea, coffee, grass, or other stains, add  $\frac{1}{4}$  cup of *Lucky* bleach to quart of water. Mix well and allow to soak until stains disappear. Rinse thoroughly.

**BATHROOM & KITCHEN:** Use  $\frac{1}{8}$  cup of *Lucky* bleach per quart of water. To clean sinks, bathtubs, tile, linoleum, porcelain, etc., spread solution with cloth. Let stand 2 minutes. Rinse well. Toilet Bowls: Use  $\frac{1}{2}$  cup, pour in bleach and swab with brush. Let stand for 10 minutes and then flush. DO NOT use with other toilet bowl cleanser, ammonia or household chemical. Do Not Use on Silverware.

**TO CLEANSE · DEODORIZE · DISINFECT:** For all previously cleaned surfaces in bathroom and kitchen, use  $\frac{1}{4}$  cup of *Lucky* bleach per gallon of water. Wash thoroughly with warm suds, rinse, then spread above solution with a cloth so as to wet surfaces thoroughly—let stand for 2 minutes and then rinse well.

**CAUTION:** Undiluted bleach will irritate skin and eyes. Rinse immediately. Call physician. If accidentally taken internally feed bread soaked in milk followed by cooking oil. Call physician. NOT FOR PERSONAL USE. KEEP OUT OF REACH OF CHILDREN.

Do not use in copper, aluminum or iron vessels. Use in porcelain or enamel lined vessel.

KEEP BOTTLE UPRIGHT IN COOL PLACE
