POISON - DANGER

Keep Out of Reach of Children

ANTIDOTE: Give a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Give milk or white of egg beaten with water. Call a physician immediately!

WARNING: Harmful if Swallowed. Causes irritation of skin, eyes, nose and throat. Do not breathe vapor. Avoid contact with skin, eyes or clothing. In case of contact, flush with plenty of water. For eyes, get medical attention.

Rinse empty container thoroughly with water and discard it.

DIRECTIONS: Use 1 oz. of FLUSHEX H7BD per gallon of liquid; for example, if the liquid capacity of the chemical toilet is 3 gallons, add 3 oz. of FLUSHEX H7BD. FLUSHEX H7BD will deodorize and aid in sanitizing chemical toilets when used as directed.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk or use and/or handling of this material when such use and/or handling is contrary to label instructions.
