CAUTION

Do not bring into contact with skin — may cause toxic of spillage on skin wash with warm water and soap of vapor or spray. Do not get on foodstuffs. Do not use or humans. Keep out of reach of children. Harmful if spray bins or areas intended for storage of grain or bulk

APPLICATIONS WITHIN FOOD AREAS OF FOOD ESTABLISHMENTS

LIMITED TO CRACK AND CREVICE TREATMENT. SMALL AMOUNT OF MATERIAL SHOULD BE PUT INTO CRACKS SUCH AS EXPANSION JOINTS BETWEEN WALLS AND THE FLOOR, WALL VOIDS, MOTOR HOUSING, OR SWITCH BOXES, CONDUITS OR HOLLOW. EXTREME CARE SHOULD BE TAKEN TO AVOID DEPOSITING ONTO EXPOSED SURFACES OR INTRODUCING INTO THE AIR. AVOID CONTAMINATION OF FOOD PROCESSING SURFACES.

EQUIPMENT THAT CAN DELIVER A PENCIL-TIP APPLICATION OF THIS PRODUCT IN THE FOOD HANDLING ESTABLISHMENTS, OTHER THAN CRACK AND CREVICE TREATMENT, IS NOT PERMITTED.

A COARSE WET SPRAY WOULD NOT BE APPROPRIATE TYPE OF TREATMENT.

This product is toxic to fish, birds, and other wildlife. Treated areas may be killed. Keep out of lakes, streams, and ponds. Do not apply where runoff is likely to contaminate. Do not apply where runoff is likely to contaminate. Do not apply where runoff is likely to contaminate. Do not apply where runoff is likely to contaminate.

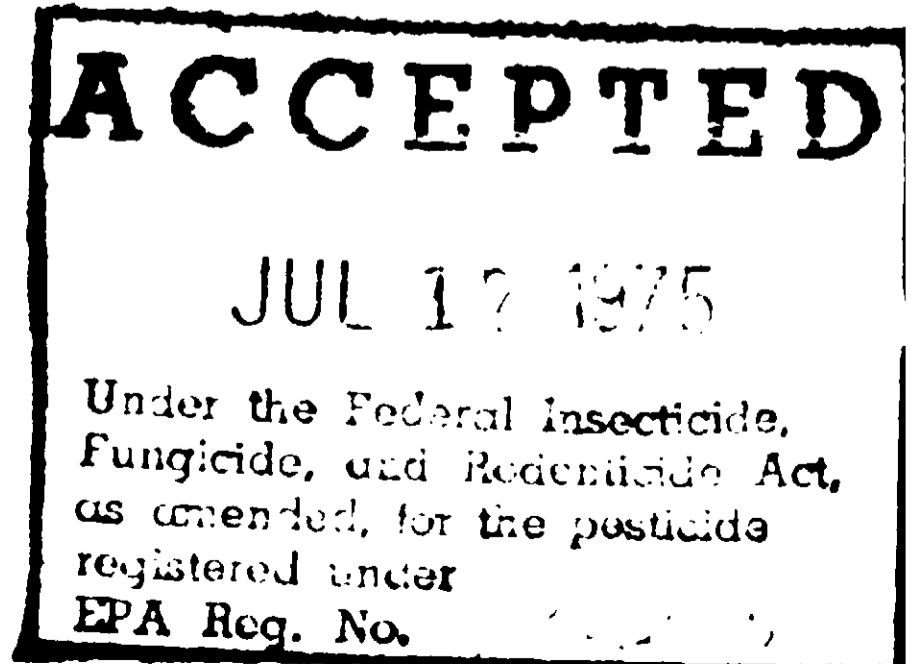

FIRE HAZARD

COMBUSTIBLE MIXTURE

Do not use, pour, spill or store near heat or open flame. Do not reuse empty container. Destroy it by perforating or discard in a safe place away from water supplies.

Non-Warranty

Seller makes no warranty, expressed or implied concerning the product other than indicated on the label, buyer assumes responsibility for the proper use and handling of this material when such use and handling is contrary to label instructions.

SUGGESTED USES AND DIRECTIONS

The following Directions apply to a 2% solution of Chlordane (by weight) made by adding 10 parts of oil to one part ArChem's Chlordane 20%.

Flies & Mosquitoes in and around commercial and industrial buildings. Spray most frequent resting places until wet, spray repeatedly to maintain effective residue. Spray all breeding places. Not for household use.

Ants: Apply to areas frequented by ants—particularly areas from which they emerge, thoroughly spray outside and beneath the building. Repeat as often as necessary to maintain effective control.

Roaches: Treat all infested cracks and crevices in woodwork, dark places behind pipes, under sinks, and all places that harbor roaches. Use a fan type or pin stream. **Do not use close to food stuffs. Do not space spray.**

Use of this product for the following insects in commercial and industrial establishments should be as follows: Flour Beetles—Indian Meal Moth, Flour Moth, Spiders and Waterbugs. Treat infested crevices and cracks, box cars or machinery which harbors these insects. Chlordane will give control of all exposed or accessible stages of the above insects. Residual Kills—does not spread infestation. **Do not contaminate stored food stuffs.**
