**DIRECTIONS FOR USE**

To Dilute with Water As follows:

- 0.1% solution 3.2 oz. 6102/5 gal water
- 0.3% solution 10 oz. 6102/5 gal water
- 0.5% solution 16 oz. 6102/5 gal water

**BEETLES:** Lindane WE 6102 in 0.1% solution, a light spraying with thorough coverage of beds and mattresses will be necessary. The spray should be directed into all cracks and crevices and hiding places about the bedroom and around baseboards, walls and floors.

**CLOTHES MOTH CONTROL:** A solution of 0.5% in a light spray on all articles to be protected. Special attention should be given seams and folds. The application should be repeated monthly unless stored in a moth-proof container. All articles sprayed should be dry cleaned before using as clothing or bedding.

**CARPET BEETLES:** A spray of 0.5% of 6102 Lindane WE should be used on localized applications especially on floor baseboards, into cracks and under carpets where these insects may be found.

**RESIDUAL FLY & MOSQUITO CONTROL:** A 0.5% Lindane solution should be sprayed around doors, and wall surfaces where these pests alight or congregate. Limit application to restricted wall surfaces. Limit to spot application. Do not contaminate feed or foodstuffs.
