DIRECTIONS

U.S. DEPARTMENT OF AGRICULTURE
NATIONAL BUREAU OF ENTOMOLOGY AND PLANT QUARANTINE
WASHINGTON, D.C. 20250

FOR USE IN WET OR DAMP AREAS ONLY

Place **Pival Para-Nuggets** in locations where rats are known to feed, water or travel. For best results place in concealed locations in corners and along walls where rodents can feed free from observation. If they cannot be placed in concealed locations, use bait boxes or other suitable protective cover is recommended.
