A highly efficient sanitizer, disinfectant and cleanser for use in laundering, dishwashing, toilet bowls and general cleaning.

ACTIVE INGREDIENT: Trichloro-S-Triazinetrione 30%

INERT INGREDIENTS: 60% Bicarbonate of Soda
10% Tri Sodium Phosphate
Total 70%

WARNING

**KEEP OUT OF REACH OF CHILDREN
READ CAREFULLY CAUTION AND ANTIDOTE
STATEMENTS ON BACK PANEL**

CONTENTS: 1000 TABLETS
NET WT. PER TABLET 8.3 GRAMS

DIRECTIONS

One tablet in 3 gallons of water provides 200 P.P.M. of chlorine and effectively sanitizes dairy equipment, meat and food blocks, table tops, and refrigerators. Pre-clean with detergent solution. Rinse with potable water after washing with 200 P.P.M. solution prior to contact with food. One tablet in 6 gallons of water provides 100 P.P.M. of chlorine and with detergent effectively cleans and sanitizes dishes and silverware for both hand and machine dishwashing.

One tablet in a toilet with a gentle brushing will aid in stain removal. One tablet in a pail of water will clean and sanitize marble, tile and cement floors. In laundering use one tablet for every 10 pounds of clothes in washing machines or add 1 tablet for every 3 gallons of wash water. Laundering requires a solution of 200 P.P.M.

CAUTION - POISON

May be fatal if swallowed. Strong oxidizing agent. Contact with heat, moisture, foreign materials or contamination from any source may result in fire. Avoid breathing dust. Keep away from flame. Store in a cool, dry place. Keep out of reach of children.

ANTIDOTE: Internally: Take large amounts of milk followed by olive oil or cooking oil. External: Or in eyes — Immediately flood with large amounts of water. Call physician.
