Dear Mr. Visconti:

Subject: Revised Label
Nu Clo Copper Algaecide
EPA Registration No. 7124-23
Your Submissions Dated October 25, 1995

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- In the ingredient declaration specify the singular ACTIVE INGREDIENT.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Theresa A. Stowe

COPPER ALGAEKILLER

Prevents And Kills Many Algae Species

- ✓ One application lasts a full swim season
- ✓ Keeps pool water clear and free of visible algae
- ✓ Convenient and easy to use
- ✓ Reduces chlorine demand

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep out of reach of children. Causes eye damage. May cause skin sensitization in certain individuals. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call physician immediately.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE: Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. All pesticides should be kept out of reach of children and stored away from food.

DISPOSAL: Do not reuse empty container. Rinse thoroughly. Securely wrap in several layers of newspaper and discard in trash.

DIRECTIONS FOR USE

It is in violation of Federal law to use this product in a manner inconsistent with its labeling.

This product works best when added to a freshly cleaned pool. This product should be used at a rate of one gallon to every 11,000 gallons of pool water. Empty skimmer of all chemicals and/or debris. Remove any chemicals that may be in an in-line automatic chemical dispensing device. Make sure that filter is on and that water is properly recirculating through skimmer. Pour this product slowly into skimmer, making sure that the liquid is drawn into the system at the same rate as it is being poured.

POOL GALLON CALCULATOR (ALL DIMENSIONS IN FEET)

Square or Rectangular:

Length X Width X Average Depth X 7.5 = Gallons

Round or Oval:

Length X Width X Average Depth X 5.9 = Gallons
