Subject: Ortex Winterizing Powder
EPA Registration No. 7124-51
Application Date: February 17, 2004
Receipt Date: June 15, 2004

Dear Mr. Visconti:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the changes below:

- Revise the First Aid Statement in accordance with PR Notice 2001-1

Deficiencies

1. Revise Precautionary statement as follows:

"Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Harmful if inhaled. Avoid breathing vapor. Remove contaminated clothing and wash before reuse."

A stamped copy is enclosed for your records.

Should you have any questions or comments concerning this letter, please contact me at 703-308-6341.

Sincerely,

Marshall Swindell
Product Manager (33)
Regulatory Management Branch I
Antimicrobials Division (7510C)

HELPS KEEP YOUR POOL CRYSTAL CLEAR
AND ALGAE FREE THROUGH THE WINTER

MAKES SPRING START-UP EASIER

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a
manner inconsistent with its labeling.

Do not mix Winterizing Powder with any other chemicals
as dangerous reaction may occur.

Add Winterizing Powder to a clean, algae free pool. For
best results vacuum or remove by hand any debris and
super chlorinate pool prior to introducing this product.
Use at the rate of 16 ounces (1 lb.) for every 10,000
gallons to be treated. Predissolve 1 lb. of Winterizing
Powder in a bucket containing at least 2 gallons of water.

Stir until all particles are dissolved, pouring off liquid and
diluting any remaining solids with additional water if
necessary. Pour solution into the skimmer making sure
that pump is on, skimmer contains no other material and
water is flowing freely into skimmer. Allow filter to run for
several hours for good distribution. If filtration system
has been dismantled, pour solution into pool while
walking around the perimeter. Distribute solution as
widely as possible. Cover pool after winterizing has been
completed.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Causes skin and eye irritation. May cause skin
sensitization in certain individuals. Do not get in eyes, on
skin, or on clothing. Harmful if swallowed.

FIRST AID:

Have the product container or label with you when calling a
poison control center or doctor, or going for treatment.

IF SWALLOWED: Call a poison control center or doctor
immediately for treatment advice. Have person sip a glass of
water if able to swallow. Do not induce vomiting unless told to
do so by a poison control center or doctor. Do not give anything
by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing.
Rinse skin immediately with plenty of water for 15-20 minutes.
Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not
breathing, call 911 or an ambulance, then give artificial
respiration, preferably mouth-to-mouth if possible. Call a poison
control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with
water for 15-20 minutes. Remove contact lenses, if present,
after the first 5 minutes, then continue rinsing eye. Call a poison
control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS: This product is toxic to fish.
Do not discharge effluent containing this product into
lakes, streams, ponds, estuaries, oceans or other waters
unless in accordance with the requirements of a National
Pollutant Discharge Elimination System (NPDES) permit
and the permitting authority has been notified in writing
prior to discharge. Do not discharge effluent containing
this product to sewer systems without previously notifying
the local sewage treatment plant authority. For guidance
contact your State Water Board or Regional Office of the
EPA.

STORAGE AND DISPOSAL

STORAGE: Keep container closed when not in use.
Leaking or damaged containers should be placed in a
plastic bag and discarded in trash. All pesticides should
be kept out of reach of children and stored away from
food.

DISPOSAL: Do not re-use empty container. Rinse empty
container thoroughly with water to dissolve all material
before discarding. Securely wrap in several layers of
newspaper and discard in trash.
