Subject: Ortex Liquid Winterizer 7
 EPA Registration No. 7124-52
 Application Date: February 17, 2004
 Receipt Date: June 15, 2004

Dear Mr. Visconti:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the changes below:

- Revise the First Aid Statement in accordance with PR Notice 2001-1

Deficiencies

1. Revise Precautionary statement as follows:

"Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Harmful if inhaled. Avoid breathing vapor. Remove contaminated clothing and wash before reuse."

A stamped copy is enclosed for your records.

Should you have any questions or comments concerning this letter, please contact me at 703-308-6341.

Sincerely,

Marshall Swindell
Product Manager (33)
Regulatory Management Branch I
Antimicrobials Division (7510C)

Liquid Winterizer 7

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep out of reach of children. Causes eye damage and skin irritation. May cause skin sensitization. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid contamination of food.

FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment authority. For guidance contact your State Water Board or Regional office of the EPA.

NOTE: Liquid Winterizer 7 should not be mixed directly with other pool chemicals. Dangerous reaction may occur.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Liquid Winterizer 7 works best when added to a freshly cleaned pool. Liquid Winterizer 7 should be used at the rate of one quart for every 10,000 gallons of pool water.

Empty skimmer of all chemicals and/or debris. Remove any chemicals that may be in an in-line automatic chemical dispensing device. Make sure that filter is on and that water is properly recirculating through skimmer. Pour Liquid Winterizer 7 slowly into skimmer, making sure that the liquid is drawn into the system at the same rate. Keep filter on for 2-3 hours to assure good distribution.

If equipment has been shut down for the season, fill clean pail with at least 4 gallons of fresh water and stir in no more than 1 gallon of Liquid Winterizer 7. Pour resulting dilution into pool while walking around the perimeter. Repeat until pool is properly dosed.

POOL GALLON CALCULATOR (All dimensions in feet)

Square or Rectangular

Length X Width X Average Depth X 7.5 = Gallons

Round or Oval

Length X Width X Average Depth X 5.9 = Gallons

STORAGE AND DISPOSAL

STORAGE: Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clean water. All pesticides should be kept out of reach of children and stored away from food.

DISPOSAL: Do not reuse empty container. Rinse thoroughly. Securely wrap in several layers of newspaper and discard in trash.
