

# ALGAE CONTROL

## DURO CHLOR

# SUPER CHLORINATION

DURO CHLOR is a powerful super-chlorinating agent for swimming pools. It is used to shock treat pools and to control algae. It is also used to maintain a high level of chlorine in the pool water.

# DIRECTIONS FOR USE

1. For long-lasting super-chlorination of pools •  
 • Rapid control of algae •  
 • Provides instant chlorination for pools at beginning of season •  
 • Completely soluble - will not cloud water •

STORAGE AND DISPOSAL: Store in a cool, dry place. Do not use if the container is damaged. Dispose of unused product in accordance with local regulations.

**DANGER**  
 SEE FIRST AID STATEMENT AND OTHER  
 PRECAUTIONS ON SIDE PANEL  
 BEFORE OPENING CONTAINER

Net Weight 24 oz. (1 lb. 6 oz.)

# PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER:** May irritate eyes, cause skin and eye damage. May irritate the respiratory tract. May cause dizziness and headache. Avoid breathing dust. Rinse eyes with water. Wash contaminated clothing before reuse.

**ENVIRONMENTAL HAZARDS:** This product should not be discharged into lakes, streams, ponds, or other water bodies. It is not for use in areas with a NPDES Permit. For further information, see EPA 40 CFR 401.

**PHYSICAL AND CHEMICAL HAZARDS:** STRONG OXIDIZING AGENT. May react with water to form a strong oxidizing agent. Do not add to pools already containing strong oxidizing agents. Such use may cause a violent reaction. Do not add to pools containing strong oxidizing agents. Such use may cause a violent reaction. Do not add to pools containing strong oxidizing agents. Such use may cause a violent reaction.

**PRACTICAL TREATMENT (First Aid):** If swallowed, do not induce vomiting. If inhaled, get fresh air immediately. If on skin, brush off excess and flush with water for at least 15 minutes. If in eyes, flush with cold water for at least 15 minutes. Get medical attention if irritation persists.

# SPECIAL PRECAUTIONS (PLEASE READ)

1. This product has a white, powdery odor. Hold away from face when opening to avoid breathing fumes.
2. Do not get product between the product in its undissolved state and vinyl liners or painted surfaces. Will result in bleaching of the vinyl or paint. Introduce this product through the skimmer or a pressure-fed feeder to avoid discoloration of liner or paint.
3. When adding this product to skimmer or feeder, make sure there are no other chemicals present as a violent reaction may occur. It is always dangerous to mix chemicals.
4. Use this product as directed as per instructions on label. Do not take advice from others or experiment by yourself.
5. If this product is used for shock or superchlorination, a pool after treatment is is resistant to brush, walls and floor to expose areas that may be in cracks or where water might collect. Protect against high chlorine levels. Such protection is a good idea. Do not use again when high chlorine levels are still present.
6. This product is not for use in pools that may be dangerous if not used properly. Do not mix with any other chemicals. This could result in a violent reaction. Do not mix with any other chemicals. This could result in a violent reaction. Do not mix with any other chemicals. This could result in a violent reaction.

Gentlemen:

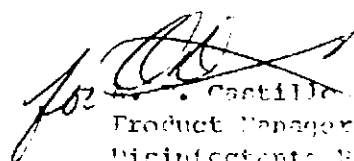

Subject: Nucleo Euro Chlor  
EPA Registration No. 7124-60  
Submission dated April 3, 1984

The labeling for the application referred to above, submitted in connection with your application for amended registration under Section 3(c)(7)(A) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended (FIFRA), is acceptable since you have agreed that you will submit and/or cite all data required for registration/reregistration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

If the conditions of this amendment are not complied with, the registration will be subject to cancellation in accordance with Section 6(e) of the Act.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

  
J. Castillo  
Product Manager (37)  
Disinfectants Branch  
Registration Division (91-7070)
