

## U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs Antimicrobials Division (7510C) 1200 Pennsylvania Avenue NW Washington, D.C. 20460

### NOTICE OF PESTICIDE:

Registration
x Reregistration
(under FIFRA, as amended)

EPA Reg. Number: Date of Issuance

7124-100

FEB -7 2012

Term of Issuance:

#### Conditional

Name of Pesticide Product:

NU CLO Copper 7

Name and Address of Registrant (include ZIP Code):

AllChem Performance Products 6010 NW First Place Gainesville, FL 32607

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Copper Triethanolamine complex RED, the EPA has reregistered this product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g) (2) of the Federal Insecticide, Fungicide and Rodenticide Acts, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. The EPA may require submission of data at any time to maintain the registration of the subject product.

1. Make the following label changes:

a. The EPA Registration Number to read "7124-100".

Page 2 EPA Registration No. 7124-100

- b. As specified in the acute toxicity review, a phone number for emergency medical treatment information must be added to the label.
- c. The Hazards to Humans and Domestic Animals section must be revised to read:

#### "WARNING

Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with eyes, skin, or clothing. Harmful if inhaled. Avoid breathing vapors or spray mist. Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear long-sleeved shirt and long pants, socks, shoes and chemical-resistant gloves made of any waterproof material. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco and using the toilet."

- d. The text "Wear protective clothing and use in well-ventilated area" and "May cause skin damage. Do not get on skin, clothing or in eyes. If contact occurs, wash thoroughly" must be deleted from the "Pesticide Storage" statements.
- e. Revise the "Environmental Hazards" statement of the label to read:

"Do not apply this product in a way that will contact adults, children, or pets either directly or through drift."

2. A copy of the science reviews are enclosed for your files.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec.6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Submit two (2) copies of the revised labeling bearing the labeling revisions listed above. A stamped copy of the label is enclosed for your records.

If you have questions concerning this matter, please contact me at (703) 308-6341 or by email at swindell.marshall@epa.gov or Martha L. Terry at (703) 308-6217 or by email at terry.martha@epa.gov.

Sincerely.

Marshall Swindell
