NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

EPA Reg.
Number:

7124-109

Date of Issuance:

OCT 10 2002

Term of Issuance:

Conditional

Name of Pesticide Product:

Sparkle Borate Extreme

Name and Address of Registrant (include ZIP Code):

Alden Leeds
55 Jacobus Avenue
South Kearny, NJ 07032

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No.7124-109."

Signature of Approving Official:

Robert S. Brennis,
Product Manager 32

Date:

OCT 10 2002

- b. Revise the "First Aid" statement to include the information below.

HOT LINE NUMBER

Have the product container or label with you when calling a poison center or doctor, or going for treatment. You may also contact 1 (800) xxx-xxxx for emergency medical treatment information. For information on this pesticide (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1 (800) 858-7378.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

- c. The word "Danger." must be followed by a period under the "Hazards To Humans and Domestic Animals" statement.
- d. Place a comma between eye wear and goggles under the "Hazards To Humans and Domestic Animals" statement.
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

A handwritten signature in dark ink, appearing to be 'RFB', is located at the bottom right of the page.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER, CORROSIVE: Causes irreversible eye damage. Do not get in eyes or on clothing. Harmful if swallowed. Wear protective eye wear, goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

**Borate
Extreme**

For Use in Swimming Pools

- Compatible with all pool chemicals
- Reduces algae growth
- Improves filtration

Active Ingredient:

Sodium Teraborate Pentahydrate.....100%

This product is designed to improve water quality by reducing algae growth and improving filtration. Use of this product maintains sparkling, clear water, improves sanitizer effectiveness and reduces eye and skin irritation.

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

Initial Application:

Use 2 pounds of this product per 1,000 gallons of water. Broadcast half the dose (1 lb. per 1,000 gallons) while walking around the perimeter of the pool. Add the other half 10 minutes later. Make sure pump is running when adding. This product will raise the pH. Add 3/4 pound of pH Decreaser for every pound of this product added. Filter for at least four hours and adjust the pH if needed to 7.2-7.8 with a reliable test kit. This product is compatible with all swimming pool chemicals. Maintain sanitizer levels indicated on the sanitizer label. This product should be tested at least every month and maintained at 30-50 ppm. The concentration of this product is decreased by only backwash or water loss from splash out.

Winterizing:

This product will help maintain clear and clean water throughout the winter months. Maintain 30-50 ppm before winterizing to enhance your winter chemicals.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. **PESTICIDE STORAGE:** Store in original container in a locked area, inaccessible to children and pets. Store in a cool, dry well-ventilated area.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Place container in trash collection or dispose in approved landfill area. Do not reuse empty container.
