Directions: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Protective clothing, goggles and rubber gloves should be worn when applying Wood Preservative or when handling freshly treated lumber. Apply by brushing or dipping. Immerse wood to be treated for 3 minutes or longer; if dipping is impossible, apply two liberal coats by brush, allowing a minimum of one hour between applications. Allow a minimum of 24 hours drying time prior to painting treated wood. For lumber to be used under severe conditions of exposure as in steps, a longer soaking period and heavier absorption is recommended.

Wood Destroying Fungi, Mold and Mildew Inhibitor

* Water Repellent - Paintable

Active Ingredients	
Methylene bis (thiocyanate)	0.2%
2 (Thiocyanomethylthio) benzothiazole	0.2%
Inert ingredients	99.6%

ONE GALLON ■ 3.785 LITERS

WOOD PROTECTION PLUS. Sunnyside Wood Protection Plus offers positive protection to lumber and millwork from damage by moisture, mold, mildew and staining and decay (rot) fungi. It protects siding, outdoor furniture, patios, decks, fences, etc. Wood Protection Plus penetrates into the wood and will not crack, blister or peel. It is an excellent primer for paint, varnish, stain or enamel. Caulking compounds and wood putty adhere better and last longer when applied to raw wood treated first with Wood Protection Plus. See directions on side panel.

Precautionary Statements

Hazards to Humans and Domestic Animals

CONTAINS PETROLEUM DISTILLATE. Keep away from heat and open flame. Do not breathe vapor or mist. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Remove contaminated clothing and wash before reuse.

FIRST AID: If swallowed, do not induce vomiting. CALL PHYSICIAN IMMEDIATELY. In case of eye contact, flush thoroughly with water and get medical attention; for skin contact, wash thoroughly. If overcome by vapors, remove to fresh air and get medical attention.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water. Permits may be required for discharges containing this pesticide into lakes, streams, ponds, or public water. For guidance, contact the regional office of the Environmental Protection Agency.

Storage and Disposal

STORAGE: Keep container closed when not in use. Store in cool place. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. All pesticides should be kept out of reach of children and stored away from food.

DISPOSAL: Do not reuse empty can. Wrap can and place in trash.

Use only with adequate ventilation.

KEEP OUT OF REACH OF CHILDREN.
