

1 GALLON

# VERDISAN

For Veterinary Use Only

## DIRECTIONS

For general hospital cleaning and disinfecting purposes on porous surfaces, such as floors, kennels, etc.—add 4 ounces of Verdisan to a gallon of water. For non-porous surfaces such as stainless steel table tops, add 2 ounces to a gallon of water.

Verdisan provides an efficient cleanser combined with a potent disinfectant and deodorizer, designed for veterinary hospital use in cages, runs, kennels, etc.

Sold to Graduate Veterinarians  
Only

### Contains:

#### Active Ingredients:

Methyldodecylbenzyl trimethyl ammonium chloride .....	2.0%
Methyldodecylxylylene Bis Trimethyl ammoni- um chloride .....	0.5%

	2.5%
Inert ingredients .....	97.5%

Total .....	100.00%
-------------	---------

## CAUTION:

Keep Out of Reach of  
Children.

See Side Panels for Further  
Precautions

**CAUTION:** Verdisan may cause irritation. Avoid excessive contact with the skin. Wash off with water immediately. Do not use Verdisan with soap or any other detergents. For external use only. Avoid contamination of food.

**CAUTION:** Harmful if swallowed. Avoid getting in eyes. In case of contact wash thoroughly with water. If eye irritation persists, get medical attention.
