Do not inhale powder. Keep away from humans, domestic animals and pets. If swallowed by humans, domestic animals, or pets, this material may reduce the clotting ability of the blood and cause bleeding. In such case, intravenous and oral administration of Vitamin K combined with blood transfusions are indicated as in the case of hemorrhage caused by overdoses of bishydroxycoumarin. Call a physician immediately.

This product is absorbed through the skin and must be handled with protective mask and gloves. Do not get in eyes, on skin or on clothing. In case of contact, flush with water for 15 minutes and get medical attention.

This product is toxic to wildlife. Treated baits should be placed in locations not accessible to children, pets, wildlife and domestic animals, or in tamper-proof bait boxes.

Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
