Gentlemen:

Subject: Maki Urban Rat and Mouse Meal Bait
EPA Registration No. 7173-186
Your Letter of March 14, 1983

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A), is acceptable, provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. By deleting "Urban" from your product name, the name for this product is now identical to that of EPA Registration No. 7173-171. Please modify the name of this product to make it distinctive.
 - b. Modify the use directions as indicated below to reflect the use pattern of this product. The same change can also be made for other Maki products:

"USE RESTRICTIONS: For control of...house mice.

Urban areas: May be used in and around...public buildings. May also be used in alleys. Do not use in sewers.

Nonurban areas: May be used inside of homes only. Treated baits...nesting sites."

Contact us if questions arise.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

William E. Miller
