Dr. Richard M. Poche  
Chempar, A Division of Lipha Chemicals, Inc.  
3101 West Custer Avenue  
Milwaukee, WI 53209

Dear Dr. Poche:

Subject: Ridall-Z for Prairie Dog Control  
EPA Registration No. 7173-194  
Your Application Dated September 30, 1987

We have not reviewed the labels enclosed with the subject letter in accordance with PR Notice 82-2. Also, PR Notice 87-5 has been revised in accordance with PR Notice 88-1. Do you still want your labels to contain the endangered species wording as on the labels received October 6, 1987? Please clarify. If you wish to retain the October 6 wording, please resubmit five labels.

Sincerely yours,

William H. Miller  
Product Manager (16)  
Insecticide-Rodenticide Branch  
Registration Division (TS-767C)

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION

Keep away from humans, domestic animals and pets. Do not breathe fumes or dust. May be fatal if swallowed. Do not allow contact with skin. Wash hands after use. Keep away from children. Wear gloves and protective clothing when using bait. Do not store in house.

NOTE TO PHYSICIAN: Gastric lavage followed by liquid petrolatum is indicated. Avoid digestive fats and oils. Supportive treatment for convulsion, delirium, hepatic and renal insufficiency should be given.

ENVIRONMENTAL HAZARDS

This product is toxic to wildlife and fish. Birds and other wildlife feeding on treated bait may be killed. Keep out of any body of water. Do not apply where runoff is likely to occur.

ENDANGERED SPECIES RESTRICTIONS

The following restrictions apply to use of this product after February 1, 1988.

Before using this pesticide on range and/or pastureland in the counties listed below you must obtain the PESTICIDE USE BULLETIN FOR PROTECTION OF ENDANGERED SPECIES for the county in which the product is to be used.

The bulletin is available from your County Extension Agent, State Fish and Game Office or your pesticide dealer. Use of this product in a manner inconsistent with the PESTICIDE USE BULLETIN FOR PROTECTION OF ENDANGERED SPECIES is a violation of Federal laws.

DIRECTIONS FOR USE

It is a violation of Federal law to use this  
product in a manner inconsistent with the labeling.

RANGELANDS

RESTRICTIONS FOR USE FOR CONTROL OF PRAIRIE DOGS:

Use Ridall-Zinc to control Blacktailed Prairie Dogs  
(Cynomys ludovicianus) and Whitetailed Prairie Dogs  
(C. lecurus) on ranges in the western U.S. (Colorado,  
Montana, Arizona, New Mexico, Texas, Oklahoma, Kansas,  
Nebraska, North & South Dakota, Utah and Wyoming).

BAITING: Use a prebait of one teaspoon of untreated  
rolled oats placed near each active mound 2-4 days  
before using Ridall-Zinc bait. This will increase  
prairie dog acceptance of the bait. When 50% of the  
prebait is eaten, hand bait using one teaspoon of bait  
placed within a one foot radius of each mound entrance.  
The recommended baiting time is from July to December  
with only one application each year. Bury the uneaten  
bait or dead animals found.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by  
Storage or Disposal.

STORAGE: Store in original container only in  
a locked storage area inaccessible to children and  
pets.

PESTICIDE DISPOSAL: Pesticide wastes are toxic.  
Improper disposal of excess pesticide spray mixture,  
or rinsate is a violation of Federal law. If these  
wastes cannot be disposed of by use according to  
label instructions, contact your State Pesticide or  
Environmental Control Agency, or the Hazardous  
Waste representative at the nearest EPA Regional  
office for guidance.

CONTAINER DISPOSAL: Completely empty bag into  
application equipment. Then dispose of empty bag  
in a sanitary landfill or by incineration, or, if  
allowed by State and local authorities, by burning.  
If burned, stay out of smoke.

WARRANTY: Seller makes no warranty expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
