OCT 24 1995

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

Generation Mini Blocks

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

LiphaTech  
3600 West Elm St.  
Milwaukee, WI 53209

S 490691 160  
18

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(5) provided that you:

A. Make the following labeling changes before you release the product for shipment:

1. Add "EPA Reg. No. 7173-218" to your label.
2. Modify the "Pesticide Disposal" statement as follows:

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

3. Wherever it occurs, your "First Aid" text must be separated from the rest of your precautionary statements as follows:

FIRST AID

IF SWALLOWED, call a physician at once.

4. Within the "USE RESTRICTIONS", indent the entire paragraphs entitles "URBAN AREAS" AND "NON-URBAN AREAS" (note the need for a hyphen) so that it is clear that the last sentence of the "USE RESTRICTIONS" applies to all sites in which the product may be used.

USE RESTRICTIONS: For control of Norway Rats, Roof Rats and House Mice.

URBAN AREAS: This product may be used in and around homes ... to gain entrance.

NON-URBAN AREAS: May be used inside of homes and agricultural buildings.

Do not place ... with food.

- B. Understand that only a 20 gram bait block can be sold under this registration number or distributor number. See attached "CONCLUSIONS" sheet.
- C. Within 15 months of registration, submit the results of your Storage Stability (63-17) and Corrosion Characteristics (63-20) data.

Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Robert A. Forrest  
Product Manager (14)  
Insecticide-Rodenticide Branch  
Registration Division (H7504C)

Enclosures: 1) Stamped label

PRECAUTIONARY STATEMENTS: HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Keep away from children, domestic animals and pets. May be harmful or fatal if swallowed or absorbed through the skin because this material may reduce the clotting ability of blood and cause bleeding.

Do not get in eyes, on skin or on clothing. Wash arms, hands and face with soap and water after applying and before eating and smoking. If swallowed, call a physician at once.

NOTE TO PHYSICIAN OR VETERINARIAN: This product may reduce the clotting ability of the blood and cause hemorrhaging. If poisoning occurs, intramuscular and oral administration of Vitamin K1 is antidotal as indicated in bishydroxycoumarin overdoses. Repeated doses may need to be given for up to two weeks (based on monitoring of prothrombin times). In severe cases, blood transfusions may be necessary.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds.

STORAGE AND DISPOSAL:

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL

STORAGE: Store in original container in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product should be securely wrapped in several layers of newspaper and then disposed of in a sanitary landfill or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

KEEP AWAY FROM FOODSTUFFS

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
