1 1999

NOTICE OF PESTICIDE:

x Registration

___ Reregistration

(under FIFRA, as amended

Term of Issuance:

Conditional

Name of Pesticide Product:

Maki Bait Dispenser

Name and Address of Registrant (include ZIP Code):

Lipha Tech, Inc. 3600 West Elm Street Milwaukee, WI 53209 Att: Kelly K. Rahn

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in conumerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named posticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you comply with the following and submit one (1) copy of final printed labeling to us before you ship your product.

- 1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.
- 2. Revise "EPA File Symbol 7173-EEL" to read "EPA Registration No. 7173-225".
- 3. On the main panel of the accordion label, change "panel" to "panels" in the sentence "See inside panel for additional precautionary statements."
- 4. The "PRECAUTIONARY STATEMENTS" panel should come immediately before the "ENVIRONMENTAL HAZARDS" panel, as currently is supposed to be the case on the labeling for 7173-210.

Signature of Approving Official:

Date:

Daniel B. Peacock

Daniel B. Peacock, Biologist Insecticide-Rodenticide Branch Registration Division (7505C) EPA Form 8570-6

Page Two 7173-225

- 5. On the "ENVIRONMENTAL HAZARDS" panel of the accordion label, change "PANEL" to "PANELS" in the sentence "SEE BACK PANEL FOR DIRECTIONS FOR USE".
- 6. The arrows on the two "TWIST TO CLOSE" directions (at the top and bottom of the label panel that would remain on the dispenser) appear to point in opposite directions. This could confuse some people, especially those who do not know what "counterclockwise" means. The "TWIST TO CLOSE" at the bottom of panel should be upsidedown with respect to the remainder of the text on the panel. Alternatively, you might want to have a "TWIST TO OPEN" direction and arrow at the bottom of the panel.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A copy of the label stamped "Accepted with Comments" is enclosed for your records. .

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS CAUTION

Keep away from children, domestic animals and pets. May be harmful or fatal if swallowed or absorbed through the skin because this material may reduce the clotting ability of blood and cause bleeding.

Do not get in eyes, on skin, or on clothing. Wash arms, hands, and face with soap and water after applying and before eating and smoking. If swallowed, call a physician at once.

NOTE TO PHYSICIAN OR VETERINARIAN: This product may reduce the clotting ability of the blood and cause hemorrhaging. If poisoning occurs intramuscular and oral administration of Vitamin K₁ is antidotal as indicated in bishydroxycoumarin overdoses. Repeated doses may need to be given for up to two weeks (based on monitoring of prothrombin times). In severe cases, blood transfusions may be necessary.

in EPA Letter Dates

SEP 1 1999

Under the Federal invecticide, Functione, and Rodenthide Act as amanded, for the posticide registered under EPA Rev. No.

7173.225

ACTIVEINGREDIENTS-[3-(4'-bromo(1,1'-bipheny])-4-yl)-3-hydroxy-1-phenylpropyl)-4-hydroxy-2H-1-benzopyran-2-one* ... 0.005% INERT INGREDIENTS: ... 99.995%

*Bromadiolone Supercard Patented in the U.S.A. TOTAL: 100.0000%

KEEP OUT OF REACH OF CHILDREN CAUTION

See inside panel for additional precautionary statements

Do not use this product outdoors.

This is not a tamper resistant bait station. Do not use
This product in areas accessible to children, pets,
Domestic animals and nontarget wildlife.

NET WEIGHT: 1.5 oz. (42.5 gm)

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE AND DISPOSAL:

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

STORAGE: Store in original container in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty container. Wrap container, / and put in trash.

KEEP AWAY FROM FOODSTUFFS

SEE BACK PANEL FOR DIRECTIONS FOR USE. FOLLOW ALL LABEL DIRECTIONS AND PRECAUTIONS WHEN USING, HANDLING, OR STORING THIS PRODUCT.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

THIS IS NOT A TAMPER RESISTANT BAIT STATION. DO NOT USE THIS PRODUCT IN AREAS ACCESSIBLE TO CHILDREN, PETS DOMESTIC ANIMALS, AND NONTARGET WILDLIFE.

USE RESTRICTIONS: For indoor use only for the control of house mice (Mus musculus).

Urban Areas: This product may be used in homes, industrial, commercial and public buildings. This product may also be used in transport vehicles (ships, trains, aircraft) and related port or terminal buildings. Do not use this product in sewers or in any outdoor area.

Nonurban Areas: This product may be used inside homes and, agricultural buildings.

SELECTION OF TREATMENT AREAS: Determine areas where mice will most likley find and consume the bait. Generally, these are along walls, by gnawed openings, in corners, and concealed places between floors and walls

or in locations where rodents or their signs have been seen. Use only on dry surfaces. Remove as much alternative food as possible.

SECURING BAIT STATION: If you desire to anchor the bait station dispenser to a smooth clean surface, remove the cover sheet from the tape anchor located on the underside of the unit. If you wish to anchor the dispenser to a surface which will not allow the tape anchor to adhere, you may remove the tape anchor and place the dispenser over a nail or other such post anchored in the surface and protruding above the surface approximately 1 inch in order to inhibit lateral movement of the unit by rodents. For more secure anchorage, a nail may be driven through the center post of the bait dispenser and into a wood or similar surface. Place station in locations as specified under APPLICATION DIRECTIONS

APPLICATION DIRECTIONS: Secure or place stations at 8- to 12-foot intervals on level surfaces in locations where the labeling permits. this product to be used. After a unit is placed for use, make the bait available to mice by holding the base of the unit with one hand and gently lifting and turning the top portion in a counterclockwise direction. Stop when

resistance to further turning is encountered (after about one quarter of a revolution). Do not attempt to open the unit further. Do not open units except when they are placed ready for use. Close units before removing them for reuse or disposal. Replace units which are emptied by mice or if bait becomes spoiled. Collect and dispose of all dead animals and leftover bait properly. To prevent reinfestation, limit sources of rodent food, water and harborage as much as possible.

WARRANTY

Seller makes no warranty, expressed or implied, concerning the use of this product: other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
