NOTICE OF PESTICIDE:
 Registration
 Reregistration

Registration Status
Conditional

Product Name
Difethialone 0.125% Liquid
Concentrate with Denatonium
Benzoate

Name and Address of Registrant (include ZIP Code):

Lipha Tech, Inc.
3600 West Elm Street
Milwaukee, WI 53209
Attn: Mr. Thomas Schmidt

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/preregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7) provided that you:

1. Make the following label change(s) before you release the product for shipment:
 - a. The signal word on the label should be "DANGER" and the word "POISON" (in red ink) should be accompanied by a skull and crossbones [40 CFR 156.10(h)(1)(i)]. The required location of this information must be in immediate proximity to the signal word.
 - b. Revise "HAZARD TO HUMANS AND DOMESTIC ANIMALS" to read: Fatal if absorbed through skin. Fatal if inhaled. Fatal if swallowed. Causes moderate eye irritation. Do not get in eyes, on skin, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wear coveralls worn over long-sleeved shirt and long pants, socks, chemical-resistant footwear, and gloves. Remove and wash contaminated clothing before reuse. Do not breathe spray mist. Avoid contact with eyes or clothing. Wear protective eyewear. Wear: Long-sleeved shirt and long pants, socks, shoes, and gloves.

Comments
(Cont.)

- c. In the "FIRST AID" statements add: "If INHALED: Move the person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
- d. In the "NOTE TO PHYSICIAN" change the "National Pesticide Telecommunications Network" to "National Pesticide Information Center". The number is the same.
- e. Submit one (1) copy of the revised final printed label for the record before you release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.
- f. A copy of the label stamped "Accepted" is enclosed for your records

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
7 U.S.C. 136-136c

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

WARNING: Keep away from humans, domestic animals and pets. May be fatal if swallowed or absorbed through the skin. Causes moderate eye irritation. Do not get in eyes, on skin, or on clothing. Wear protective clothing and chemical-resistant gloves made of any waterproof material. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and laundry before reuse.

FIRST AID

Have the product container or label with you when call a poison control center or doctor, or going for treatment.

IF SWALLOWED: Call a physician or poison control center immediately for treatment advice. Have person sin a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN: If ingested or absorbed by humans, domestic animals or pets, this material will reduce the clotting ability of the blood and cause bleeding. Treat as in bishydroxycoumarin overdoses, giving Vitamin K₁ orally or intramuscularly in mild cases and giving Vitamin K₁ intravenously and blood transfusions in severe cases. Repeat as necessary, based on monitoring of prothrombin times. For more information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents) call the National Pesticide Telecommunications Network at 1-800-858-7378.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

NET CONTENTS: 5 Gallons (18.95 Liters)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used only for the following purposes:

1. formulation of registered end-use rodenticide baits claimed to control Norway rats, roof rats, and/or house mice in and around homes; in and around industrial, commercial, and public buildings; inside agricultural buildings, in transport vehicles (ships, trains, aircraft) and in and around related port or terminal buildings;
2. uses for which the U.S. Environmental Protection Agency has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and
3. uses under experimental use permits which are in compliance with the requirements of the Federal Insecticide, Fungicide- and Rodenticide Act (FIFRA) and 40 CFR 172.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Avoid exposure to freezing temperatures. Store in original container in area not accessible to children and pets. Keep away from food and foodstuffs. In case of spill, soak up with absorbent material and dispose of according to pesticide disposal statement. Wash area with soap and water. Do not allow runoff to contaminate water.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water by cleaning of equipment or disposal of wastes.

CONTAINER DISPOSAL:
Plastic Container: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration. If allowed by state and local authorities, by burning. If burned, stay out of smoke.

Metal Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

KEEP AWAY FROM FOODSTUFFS

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
