Bait tray label

("Mouse Only" instructions net weight 1.5 ounce, labelled for individual sale.

generation BAIT TRAY KILLS HOUSE MICE

ACCEPTED with COMMENTS in EPA Letter Dated:

JUN 5 2003

Under the Federal Insecticide, Fungicide, and Rodenticide Act

as amended, for the pesticide registered under EPA Reg. No. 7173-234

HOUSE MICE MAY CONSUME A LETHAL DOSE IN ONE NIGHT'S FEEDING WITH FIRST DEAD RODENTS APPEARING FOUR OR FIVE DAYS AFTER FEEDING BEGINS

Active Ingredient: difethialone\* . . . 0.0025% Inert Ingredients . . . . . 99.9975% Total . . . . . 100.0000%

\* Patented in the USA EPA Reg. No. 7173- EPA Est. No. 7173-WI-1

Net Weight: 1.5 oz (42.5 grams)

CAUTION: KEEP OUT OF REACH OF CHILDREN PRECAUTIONARY STATEMENTS: Hazard to Humans & Domestic Animals Keep away from children, domestic animals and pets. May be harmful or fatal if swallowed or absorbed through the skin because this material may reduce the clotting ability of blood and cause bleeding. Causes substantial but temporary eye injury. Do not get in eyes, on skin or on clothing. Wear safety glasses. Wash arms, hands and face with soap and water after applying and before eating and smoking. FIRST AID: Have this label with you when obtaining treatment advice. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If Swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor. Note to Physician or Veterinarian: If poisoning occurs, intramuscular and oral administration of Vitamin K1 is antidotal as indicated in bishydroxycoumarin overdose. Repeated doses may be needed for up to two weeks (based on monitoring of prothrombin times). In severe cases, blood transfusions may be necessary. Environmental Hazards: This product is toxic to fish and wildlife. Do not apply directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ THIS LABEL: Read this entire label and follow all use directions and use precautions. USE RESTRICTIONS: THIS IS NOT A TAMPER-RESISTANT BAIT STATION. DO NOT USE THIS PRODUCT IN AREAS ACCESSIBLE TO CHILDREN, PETS, DOMESTIC ANIMALS, AND NONTARGET WILDLIFE. DO NOT USE THIS PRODUCT OUTDOORS. This product may only be used to control house mice in homes, industrial, commercial and public buildings. Do not place bait where there is a possibility of contaminating food or surfaces that come in direct contact with food. Do not broadcast bait. SELECTION OF TREATMENT AREAS: Bait trays may be placed along walls, in corners and in concealed places where mice are active and where children under 6 years of age, nontarget mammals and birds will not be exposed to bait. Remove as much alternative food as possible. APPLICATION DIRECTIONS: Place bait tray in horizontal position. Pull tab, lift and twist off. Space trays at 8 to 12 foot intervals if mouse activity is not highly localized and placements can be made in areas not accessible to children and nontarget animals. Replace trays as their contents are consumed. Trays not touched after 3 days should be moved to a new location appropriate for bait placements (see USE RESTRICTIONS) if mouse activity persists. Maintain a supply of fresh bait for at least 15 days. Replace contaminated or spoiled bait immediately. Collect and dispose of all dead animals and leftover bait properly. To discourage reinfestation, limit sources of mouse food, water and harborage as much as possible. WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

STORAGE AND DISPOSAL

Storage: Store in original container in a dry place inaccessible to children or pets. Disposal: If empty. Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
