Bait Packs Pellets

DIRECTIONS FOR USE: This product is for use as a rodenticide. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read all directions on this label.

IMPORTANT: Do not use this product in areas where it is not approved to be used.

1. Store product out of reach of children and pets.
2. Apply bait in locations out of reach of children, pets, domestic animals, and in areas where wild, or non-targeted animals, birds, and fish are not likely to be present. Bait should be placed in bait stations that are resistant to destruction by dogs and children. Do not use bait in areas where it is not approved to be used. Do not use bait in areas where it is not approved to be used. Do not use bait in areas where it is not approved to be used.
3. Dispose of product container, unused, spoiled, and/or consumed bait as specified on this label.

USE RESTRICTIONS: This product may be used to control Norway rats, roof rats and house mice. Do not place bait in areas where there is a possibility of contact with food or surfaces that come in direct contact with food.

Urban Areas: May be used indoors and in transport vehicles (ships, trains, aircraft). May be used outdoors within 15 feet of homes, food processing facilities, industrial, commercial, agricultural and public buildings, and similar man-made structures.

Non-urban Areas: This product may only be used inside of homes and agricultural buildings.

SELECTION OF TREATMENT AREAS: Determine areas where rats or mice will most likely find and consume bait. Generally, these are along walls, by gnawed openings, in corners and concealed places, between floors, or walls, or in basements, or in locations where rodents or their signs have been seen. Remove as much alternative food as possible.

APPLICATION DIRECTIONS: This package contains enough bait (3.52 oz or 1 to 1 1/2 lbs) for rats, mice, etc., for 3 to 15 pack placements. Space placements at 1 to 30 feet intervals. Maintain a constant supply of fresh bait for 10 days or until signs of rat activity cease. For rat burrows, insert 1 to 3 bait packs deep into each active burrow. Check treated burrows each morning and evening to make sure that bait has not been pushed out of burrows.

Mice may be placed at 1 to 12 feet apart. Space placements at 8 to 12 feet apart. Maintain a constant supply of fresh bait for 15 days or until signs of rat activity cease.

Follow-up: Apply bait in areas that are not completely killed and dispose of all dead animals and leftover bait properly. Do not use bait in areas where it is not approved to be used. Do not use bait in areas where it is not approved to be used.

PRECAUTIONARY STATEMENTS: HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Keep away from children. Domestic animals and pets should not be fed this product. Avoid contact with eyes, skin or clothing. Wash a meal, face and hair with soap and water after applying and before eating and smoking.

FIRST AID: Have this label with you when obtaining treatment advice.

If swallowed: If swallowed, do not induce vomiting or take any other action. If swallowed, do not induce vomiting or take any other action. If swallowed, do not induce vomiting or take any other action.

Note to Physician or Veterinarian: Contains difethalone, an anticoagulant. If swallowed, this product reduces the clotting ability of blood and causes bleeding. For humans or dogs that have ingested this product, or have obvious poisoning symptoms (bleeding) or prolonged prothrombin times, give Vitamin K₁ by intramuscular or oral administration. Check prothrombin time every 3 days until values return to normal.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and wildlife. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

STORAGE AND DISPOSAL: STORAGE: Store in original container in a dry place inaccessible to children and pets.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY: Seller makes no warranty, expressed or implied, concerning use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of product when such use and/or handling is contrary to label instructions.
