

**CAUTION: CONTAINS HYDROGEN CHLORIDE.
DO NOT DRINK. • KEEP OUT OF EYES.**

Harmful if swallowed. Causes eye damage and skin irritation. If swallowed, drink chalk, magnesia, milk, softened soap in milk, or raw egg whites. If in contact with eyes, flood with water for 15 minutes. If in contact with skin, flood with water and wash with soap. Call a physician at once. Avoid contamination of food. Do not use with chlorine; may create chlorine gas. If this happens, flush toilet and leave room for 30 minutes. Ventilate room if possible.

Toilet Bowls: Remove as much water as possible from bowl. Pour 3 ounces of Cleaner into bowl. Mop inside of bowl thoroughly. Rinse and flush.

Urinals: Wet mop with Cleaner and swab all surfaces including flush ring. Remove strainer and swab inside of drain and outlet. Keep surfaces wet with Cleaner for 5 minutes. Rinse thoroughly.
