

## DIRECTIONS FOR USE

For light duty cleaning, sanitizing and deodorizing, use 2 ounces per gallon.

For heavy duty cleaning and disinfecting and fungicidal activity against pathogenic fungi, use 4.5 ounces per gallon.

For best results, use Ecco San 100 with a cloth or mop and apply to walls, floors and other hard surfaces.

For extra heavy duty industrial cleaning and sanitizing, use second application.

Do not mix with soap or anionic solutions.

Ecco San 100 is non-corrosive in use dilutions on inanimate hard surfaces.

### PHENOL COEFFICIENTS:

Guaranteed Minimum

S. aureus 14

S. typhosa 9

## DESCRIPTION

Ecco San 100 is a heavy duty cleaner and disinfectant designed for general purpose use where heavy duty cleaning and sanitizing is of prime importance. When used as directed, Ecco San 100 will remove most household dirt and grime in a single, simple application. When used for industrial cleaning, follow the use directions shown on the left side panel.

Not recommended for *Pseudomonas aeruginosa*.

## DANGER

Keep out of the reach of children. Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful or fatal if swallowed. Avoid contamination of food.

## FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

Rinse empty container thoroughly with water and discard.
