

DIRECTIONS FOR USE

Use Ecco San 200 at 2 ounces per gallon of water. It is effective against *Pseudomonas aeruginosa* PRD-10 at this level. Ecco San 200 is also fungicidal against pathogenic fungi at this level. For best results, use Ecco San 200 with a cloth or mop and apply to walls, floors and other hard surfaces.

If used for sanitization of food equipment or food contact items a potable water rinse is required before reuse. For heavy soil or organic matter, a precleaning step is recommended.

WARNING: Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.
