This Pyrethrin-Type Concentrate controls insects at all stages of their life.

Roaches, Spiders, Gnats, Jacks, Silverfish, Flies, Mosquitoes, Skipper Flies, Crickets, Hornets, Wasps, etc., and Cheese Mites, Ants, Flying Moths and Boxelder bugs.

This concentrate is especially compounded for control of the common insect pest in bottling plants, breweries, food processing houses, bakeries, cafeterias, restaurants, stores, Hotel, theaters, hospitals, institutions and other situations. After being diluted it is effective for trapping, baiting, spraying, dusting, or fumigating. It is also effective in the home, food processing, gardens, farms, orchards, greenhouses and other areas. A strong dose of this product will kill most insects within a few hours.

FORSHAW CHEMICALS, INC.

[7234-38] 20^{oz}

GALLONS

concentrate with 4 gal. of water and apply in a good machine adjusted to deliver a coarse droplet spray, using approx. 1 gal. of diluted material to each 750 sq. ft. of surface. Against roaches, silver fish, crickets, scorpions, spiders, clovermites and cheese mites use this water diluted concentrate, spray thoroughly all surfaces and areas where these insects are usually found, including walls, baseboards, moldings, floors, cabinets, shelves, sinks and pipes, with special attention to cracks, crevices, niches, dark corners, drains and similar hiding places. Treat ant-trails, runs and nests. Repeat treatment at a dilution of 1 to 9 at the same rate of application after an interval of 2 to 4 weeks or as needed.

AS A SPACE SPRAY - Dilute 1 to 29

For rapid control of flying insects such as flies, moths, wasps, mosquitoes and gnats, dilute 1 gal. of this concentrate with 29 gals. water and apply in a good sprayer adjusted to deliver a fine mist. Direct the diluted spray toward the upper portions of the enclosure, filling the room with the mist, and using approx. 2 oz. of diluted material for each 1,000 cubic feet of space. Whenever practicable, keep doors and windows closed for 10 minutes after application.

CAUTION
KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed.

Cover fish bowls, food and dishes before space spraying room.
